# Upload Clinical Data

Self-service data upload - no coding required!

 Upload ☐  Preview ☐  Detect ☐  Map ☒  Review

## Upload Your Data

Upload your clinical dataset in CSV, Excel, SPSS, or ZIP format.

### Supported formats:

- CSV ( `.csv` ) - Single table
- Excel ( `.xlsx` , `.xls` ) - Single table
- SPSS ( `.sav` ) - Single table
- ZIP ( `.zip` ) - Multi-table datasets ★ NEW!

### Requirements:

- File size: 1KB - 100MB
- Must include patient ID column
- Must include outcome variable

### Multi-Table ZIP Format:

- ZIP file containing multiple CSV files
- Tables will be automatically joined (e.g., MIMIC-IV demo)
- Relationships detected via foreign keys
